Apprentice Joiner/Carpenter

Job Details

First year Apprentice Joiner/Carpenter

Dunne Ecofit in Tullamore

Joinery Manufacturing company specializing in Stairs, Door Kits and general Joinery.

Qualifications

- Leaving Certificate (Preferred)

Schedule:

- Monday to Friday

Wood Manufacturing

The successful candidate will be involved in all projects big and small, simple and technical from the beginning of manufacturing

The jobs involved that will be trained over the course of the apprenticeship include:

- Correct health and safety approach to all processes
- Interpreting plans
- Operation of Joinery machinery
- Door & Stairs manufacturing
- Quality control
- Operation of the CNC router
- Performing routine maintenance on equipment

On completion of a four-year apprenticeship, the successful candidate will become a fully qualified Wood Manufacturer, with a QQI Level 6 Advanced Certificate Craft. (Equipped with CAD/CAM computer programming and CNC operator skills)

Once finished the apprenticeship, the successful candidate would be considered for further progression into production management, project management or sales as positions become available

Job Types: Full-time, Apprenticeship

Salary: From €450.00 per week
